REMEMBER

"The bow will be in the clouds, and I will look at it and remember the everlasting covenant between God and all the living creatures on earth." – Genesis 9:16

THINK

1. What would be the hardest thing about living in an ark with your family and a bunch of animals? What would be the best thing?
2. When you see a rainbow, what can you tell people what it means?
3. Noah took every kind of living creature into the ark. How many animals can you name?
4. Sometimes we have to wait for God to fulfill His promises, like when Noah had to wait for the water to dry up. Can you think of the best way to behave while you are waiting?
